

# *Nature's Inspirations: Celebrating the Arts*

*A Committee for Green Foothills event*

Saturday, October 30, 2004 · Family Farm, Woodside, CA

## **Sponsorship Opportunities**

Please join us for *Nature's Inspirations: Celebrating the Arts* as a Sponsor with a tax-deductible contribution to the Committee for Green Foothills. *Nature's Inspirations* will feature paintings from local environmental artists along with delectable foods and wines among the redwoods at the Family Farm in Woodside. The event will gather artists, supporters, friends and other environmental leaders for an afternoon celebration that will reflect the spirit of artists protecting the Peninsula's open space through their work. The late afternoon soiree will include a Sponsors-only reception, presentation of the first Jane Gallagher Award to a local environmental artist, and a live auction led by local elected officials.

We are pleased to offer the following benefits to our generous Sponsors:
