What are your skills and experience as a community leader/advocate? What groups, organizations, agencies, etc are you or have you been involved with as it relates with your community change work?

What are you hoping to gain from the Community Advocates Leadership Academy? What part of the CALA curriculum are you looking forward to? *Highlight your choice(s)*

- Articulate your personal mission statement and their theory of change.
- Identify the next leadership role you will pursue.

- Recognize how bias prevents certain voices from being heard. Articulate actions you will take to support diversity, equity, and inclusion in their civic leadership role.
- Influence key decision makers through the use of power mapping.
- Organize a convening for a targeted audience, that accomplishes a stated goal, and leaves participants feeling heard.
- Either a) better articulate how conservation of natural resources ties into their advocacy work or b) even more effectively advocate for the natural environment.
- Leverage a rich connection and shared experience with their cohort of changemakers.
- Anything you don't see here?

What civic leadership roles are of interest to you? Please explain. Examples include: 1) Public - Elected seat, appointment commission seat, government staff, etc, 2) Private - Corporate/social responsibility, 3) Nonprofit - Board of Directors, nonprofit staff, nonprofit volunteer, 4) Community - Grassroots Organizer, community group lead/member, etc

Can you commit to attending every session and engaging in a peer group? If you think you might have difficulty, please explain. All sessions on Saturday 9am - 12pm.
